

15305.03 – Turtle

Supplier/manufacturer	Playdium
Serial number	- unknown -
Applied standards and regulations	EN 1176-1:2017
Description	Climbing and sitting element, falling height 40 cm Length 110 cm, width 85 cm, height 60 cm
Submitted documents	None

Physical assessment

The turtle can easily be lifted by one child. Therefore it has to be founded to the ground or there has to be direct and continuous supervision. The foundation plan and supervision instructions have to be part of the technical construction dossier.

No attenuating material around the equipment is needed because the falling height is lower than 60 cm.

Some screws were sticking out on the inside (photo). These have to be shortened, removed or protected.
